Please call Michael at 215-260-6826 to schedule a quick studio tour and to prepay for the class.

In this beginner class you will familiarize yourself with the different materials used in acrylic painting. Emphasis will be placed on scene selection and composition and use of value, color and light to achieve the results you always wanted!

Each class will introduce new information with examples, instructor provided notes and a live demonstration followed by instructor-guided independent painting time.

Class #1 Getting Started

This class will familiarize the student with the different painting materials followed by guidelines for painting, scene selection and painting composition.

Class #2 Painting With Value

Paintings are often improved by simplifying to 4 values. This class will focus on painting in 4-values, creating the illusion of depth, and the importance of contrast.

Class #3 Understanding Color

This class will introduce color theory (hue/intensity/value) and how to create the illusion of depth using color. Painting with a 2-color complimentary palette will reinforce this.

Class #4 Painting With Color

This class will focus on color mixing using a limited palette. Control of hue, value, & intensity and the importance of color contrast will be stressed.

About The Art Instructor

ResslerFineArt@gmail.com

Michael Ressler is a Montgomery County artist and instructor that paints impressionistic landscapes in oil and acrylic using both brush and palette knife. In his paintings Michael tries to capture the moment of light and color. He attempts to portray the beauty of our common, overlooked surroundings and record the disappearing farms and open space. Michael received his B.S. in Art Education from Kutztown University, has taught at the high school and college level, and has continued his learning through local workshops and art books. Michael is currently teaching a weekly painting class in his large studio located in Audubon, PA.
